National Management Convention

The National Management Convention (NMC) is AIMA's flagship event which focuses on a topical theme of national importance every year. The Convention will be addressed by India's top leadership from politics, business and the intelligentsia, as well as global thought leaders who will share their views on the convention's theme.

The theme for the Convention this year is **'Getting Through the Pandemic and Beyond'** and the Convention is being chaired by **Sunil Kant Munjal**, Chairman, Hero Enterprise.

AIMA's 47th NMC is being held digitally this year, and will reach out to a much larger audience!

We aim to attract over 5000 delegates to join this year's Convention, which will be held on a specially curated digital platform. Live streaming on AIMA's YouTube, Facebook and Twitter channels will also increase viewership by several thousand.

Who Should Attend

The convention will bring together at least 5000 policy makers, CEOs, thought leaders, entrepreneurs, investors, senior level managers and students.
